Birmingham City Council Payments | Spending overview

1 April–23 July · 2025 versus 2026 · Payments net of credits

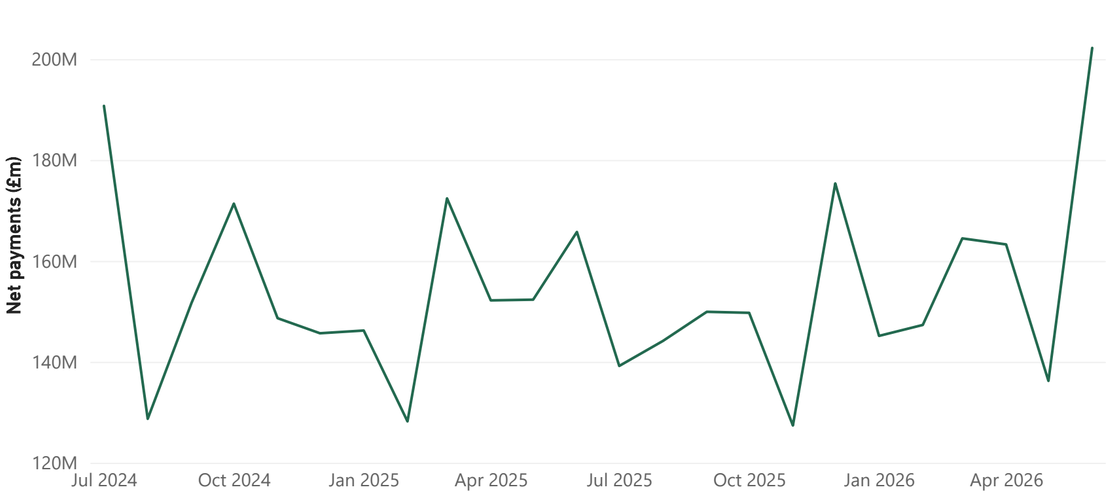

2025 · Net payments
£558.64M

2026 · Net payments
£677.46M

Increase · Same dates
£118.82M

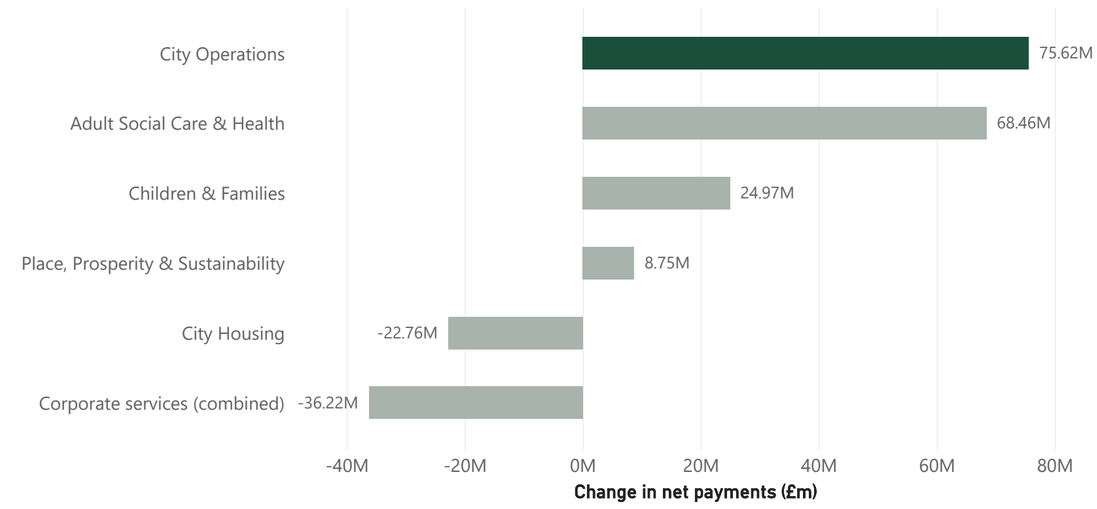

June 2026 had the highest monthly payments

July 2024–June 2026 | Complete months only

City Operations had the largest payment increase

Change in net payments | 1 April–23 July · 2026 versus 2025

Recommended checks

Confirm the reasons for higher payments in City Operations and adult social care, starting with supplier movements and payment timing.

Interpretation

Net payments increased £118.82m, or 21.3%. These figures show payments made; they do not establish an overspend against budget.

Review priority

Start with same-day and high-value pairs. Check invoice references and confirm whether repeated payments were legitimate.

Screening limits

The source contains no invoice references. The £4.45m counts one potentially repeated amount per pair; it is not a confirmed loss.
